***SCVH refers to South Chatham Village Hall**

All parties start at 5:00 p.m. Bring an hors d'oeuvre to share and your preferred beverage. Glasses, ice and setups will be furnished by the Club.

We have a lengthy waiting list of prospective members and there is always a question of whether to invite them to events. Here is the official policy:

1. Guests and persons on the membership waiting list may **NOT** attend house parties (BYOB's) held at the Bridge Street Clubhouse.
2. Club members are encouraged to invite persons on the membership waiting list and other guests to other social and boating functions, subject to capacity limitations at the function site. Preferential attendance for members may be required when there is limited capacity at a function site.
