

2010 CRUISE SCHEDULE AND INFORMATION

The number of MYC boats participating in group cruising has increased in recent years. In addition to the core group of six sailing vessels, as many as 12 different MYC boats have participated in cruising groups of two boats or more. Last season we cruised the waters of Nantucket Sound, the islands of Martha's Vineyard and Nantucket, Buzzards Bay, Newport, Narragansett Bay, Bristol, Cape Cod Bay, and Provincetown.

Cruising with other MYC members is a safe way to extend your boating skills and adventures. We invite new boats (power or sail) to join us on all or part of our overnight, weekend, or extended cruises. Call Len Magnusson (508-945-1106) if you are interested in joining us.

Each cruise is preceded by a skippers' meeting to finalize details, schedules, and routes as needed. Questions and suggestions regarding the cruises should be directed to the Cruise Committee.

The following dates and itineraries are for planning purposes, and are subject to change due to participation and, of course, "mother nature." We will hold a planning seminar in May to gauge interest and set final dates for the cruising season.

Mid - June One week cruise. Cape Cod Bay, Woods Hole, through the Canal, Plymouth and locations south of Boston.

Mid - July Ten to fourteen day cruise. Destinations are Cuttyhunk, Padanaram, Newport and Bristol.

Mid - August One week cruise. Martha's Vineyard to Edgartown.
