

## **IMPORTANT RENDEZVOUS INFORMATION**

Rendezvous are designated by area: SOUTH (more accessible to Stage Harbor boats), EAST (more accessible to Pleasant Bay boats), and SOUTH and EAST (for both areas).

All members are welcome at all rendezvous, and reminders will be sent via e-mail to all members. Boat owners are strongly encouraged to invite members who are not boat owners and members from the other areas. Any members who would like to go to a rendezvous aboard a participating member's boat should call or e-mail the appropriate Fleet Captain.

Boat owners should display the MYC burgee during the rendezvous. Those with radios should monitor VHF-FM Channel 68 during the period when boats are gathering or proceeding to rendezvous. The Fleet Captain or another designated boat will maintain Channel 68 guard.

For all rendezvous, bring lunch and your own refreshments. At beach parties, bring beach chairs. For raft-outs, boats should carry sufficient fenders and dock lines for both sides of the hull.

Questions and suggestions regarding rendezvous should be directed to the respective Fleet Captains. Additional boating events may be scheduled, if there is sufficient interest.

To encourage more "on water" activity without formal advance planning, the following arrangement will be in place for JULY AND AUGUST:

On Wednesdays of the weeks when there is no rendezvous, a Beach Party is suggested at noon at the north side of Strong Island Beach for the East, and Crescent Beach in the South. At these locations there is good water and swimming at all tides. Fly your burgee.

---

## **IMPORTANT RENDEZVOUS INFORMATION**

We can use these two beaches as casual meeting places at any time. If you are out and would like some company, stop in and fly the burgee or check out the beach as you go by and stop to chat if you see a member there. Many of our members already check these areas for Club burgees as they pass by.

Severe weather such as gale force winds, steady rain or a forecast of severe thunderstorms will be considered cause to cancel a rendezvous. Weather cancellations via e-mail will be sent by 8 a.m. to boat captains on the day of the rendezvous.

When the weather is deteriorating, a final decision may be made by the respective Fleet Captain even at dockside or at the meeting point. If in doubt about the weather on any of the above activities, call the respective Fleet Captains.

Unless otherwise indicated, rendezvous points are:

SOUTH – Stage Harbor Buoy #10

EAST – Buoy “B” off Cotchpinicut
